Darling Wifie Mine:-

Just received your darling letters of Thursday and Friday, and Lost, I can hardly describe to you how happy I was to receive them, as glad as they were. I sure do wish I would already have from you as to when you have decided to come. Honey love, I can hardly tell you how I yearn for and miss you. Everything I do is so mechanical, you would think I wasn't human. I don't know, love, but I sure do feel perfectly rotten. What with worrying over you and feeling so blue and lonesome! Oh, well, I hope it won't be long before you come and sure do hope that, at the latest, you will have by the 8th.

Honey love, made $25 to-day as I settled that case with the street car company. My other client tell me the company offered to settle with him, too, so I think I'm in for a few more dollars. I filed my assault case anyway, and sure do hope I get a nice little settlement of it. I am sorry, love, to tell you I didn't land the Notary Publicship, but I am not going to lose any sleep over it, I can assure you. I only hope I can get some nice settlement so I can have some nice money put away. Oh, well, I guess it will all come in due time.

Yesterday, honey love, Uncle Morris, I and Joe Solomon went looking for room. Didn't find anything yet, but Solomon told me he is going to try and find something this week. Sure do hope he does.

Lost, my tummy is feeling much better than it did, but I still get troubled with it once in awhile. Am taking Cascara tablets every once in a while, to keep me in condition. Last night, I could hardly fool asleep, I felt so miserable. I sure do get blue, sweet heart mine. No matter how busy I am, you are

constantly in my mind.

Honey love, tell mawdear I've been very busy, that's why couldn't answer her letter, but will write to-morrow.

I am late for the mail, love heart, so will close with love to you, my darling wife, and with all my hugs and kisses,

Ever lovingly

Jay
